

Viking Wind and the UN SDG's

7 AFFORDABLE AND CLEAN ENERGY

Our turbines are cost-effective, renewable and produce clean energy

9 INDUSTRY, INNOVATION AND INFRASTRUCTURE

They are adaptable, easy to install and suitable for remote areas

13 CLIMATE ACTION

Wind turbines are sustainable and have a long life time

Viking Winds wind turbines fulfill the UN's SDG goal nr. 7, 9, and 13 and contribute to making the world a **greener** place
